

## THANK YOU TO SAVE HUNTERS HILL SUPPORTERS – 16 April 2019

The battle to Save Hunters Hill's independence was won by direct community action.

It was the local community and their elected council representatives that defeated an arrogant and incompetent State Government, one that had wanted to forcibly merge Hunters Hill into a mega council of over 150,000 people, in a bloody five-year campaign resulting in total victory on 31 July 2017.

Save Hunters Hill Municipality Coalition would like to thank all those who stood up for the Hunters Hill community and for local democracy.

The Facebook page documents that battle and will remain live as it is on this date 16 April 2019.

If any Government dares to again challenge our independence, we are in the position to re-activate the community and mount a campaign to defeat such a threat.

Remember – the price of local democracy is “eternal vigilance”.
