

**AN INTERVIEW WITH PHIL JENKYN ON GOVT'S FAILED FORCED AMALGAMATIONS POLICY -
2RRR RADIO ACTIVE 6 DEC 2017**

A wrap-up of what happened during 2017 – with the Berejiklian Government's dramatic backdown in its attempt to force councils fighting in court to merge.

"It was a tough battle – volunteers and communities against an arrogant and incompetent government. Local communities are important – we are all social animals."

"If you are arrogant as a government, if you don't listen, if you won't listen, people will vote you out – boom!"

Phil Jenkyn OAM Save Our Councils Coalition being interviewed by Amie Bransgrove in the studio of 2RRR Radio Active.
