

DIRTY TRICKS BY LIBERAL PARTY IN WAGGA BY-ELECTION

As if the Liberal Party is not already on the nose in the Wagga Wagga By-election!

Liberal MPs not properly representing constituents - not listening to communities - deceiving the people over forced council amalgamations - refusing to reveal 'secret' KPMG documents – the list is endless.

Now in the Wagga By-election the Liberal Party trying to deceive the electorate with a poster that does not clearly indicate where it is from, that looks like it could be from the Electoral Commission, that encourages voters just to vote once and not to preference. What a disgrace says 'Save Our Councils Coalition' (SOCC).

ELECTORS HAVE THE RIGHT TO NUMBER EVERY SQUARE. THIS BY-ELECTION WILL PROBABLY BE DECIDED ON PREFERENCES SO MAKE YOUR VOTE COUNT BY NUMBERING EVERY SQUARE AND - PUT LIBS LAST!
