These videos give an unprecedented insight into how Pittwater’s elected council was destroyed, who did it, the grounds on which it was done and how the community can now get its council back.

Speakers include Miranda Korzy Chair, Bob Grace Protect Pittwater President, Brian Halstead Save Our Councils President, Phil Jenkyn OAM Save Our Councils spokesman, David Shoebridge MLC Greens Local Government spokesman, Peter Primrose MLC Labor Shadow Minister for Local Government, and speakers from the floor Vincent De Luca OAM Northern Beaches Councillor, John Grant, Shirley Phelps, Sue Martin, Barrie Unsworth former Premier, and Carolyn Corrigan Mayor of Mosman.

A unanimous resolution was passed by the large crowd that filled the Pittwater RSL Auditorium: This meeting condemns the forced amalgamation of the viable and successful Pittwater council, and demands an immediate and binding referendum of the former Pittwater Local Government Area on its demerger.
