

SOCC SUPPORTS PITTWATER RALLY – GET THIS GOVERNMENT OUT!

The Baird/Berejiklian Government forcibly amalgamated Pittwater against the wishes of the vast majority of its residents. They want their local council back.

Will Tuck Save Our Councils Coalition on 22 Oct 2017 addressed a rally of Pittwater residents concerned about what is happening to their area – “Do not give up....this government is not listening to the people....they are only interested in development....what you’ve got to do is get this government out!”
